- Sep 30** Pick a few of Jacob's sons and read their blessing in chapter 49 and talk about them.
- Oct 7** Write down some plans that God could have for each person in your family.
- Oct 14** Look back at what you wrote last week. What would make it hard to accomplish those plans? What would it take?
- Oct 21** Write down how God could help you overcome the things you wrote down last week.
- Oct 28** The Israelites were to remember the Passover and what God did for them that night. What memories does your family have of things God has done for you? (This is a good reason to have a journal - to remember what God has done.)
- Nov 4** The Israelites knew God was with them. How do we know today that God is with us?
- Nov 11** God expects obedience, but also gives grace. Talk about what that looks like in your family.
- Nov 18** God wants to be with HIS people. What can we do to invite God to be with our family and to be in our home?
- Nov 25** Do some things this week to to be intentional about asking God to spend time with your family.
