# Family Application - Week of

- JUN 2 Remember, needs are different than wants. Talk about needs your family or someone else has and pray about them.
- JUN 9 Talk about a time you wanted to hide or maybe even to run away. Talk about why it is good that we cannot run away from God.
- JUN 16 Isaiah knew that God planned to send a Savior. How does reading about Jesus' birth in the Old Testament make you feel?
- JUN 23 How does it make you feel that the Old Testament tells about things that will happen in the New Testament? Does this make it easier to believe that the Bible is true?
- JUN 30 Read Zephaniah 3:17 together. Have each person say what this verse means to them.
- JUL 7 Each person votes –fair or unfair about life. Talk about anything unfair that your family might be able to make fair. Can people make everything fair?
- JUL 14 Talk about some warnings in our lives and what could happen if we don't pay attention to them.
- JUL 21 Talk about a time when you or someone else needed hope. How does having hope help? From where does real hope come?
- JUL 28 Talk about a time when it could be hard to do the right thing. Why is it important to stay true to who we are in Christ?
- AUG 4 It seems like it would be easy to only worship God. Look around your house and see if there is anything that you spend more time with than you spend with God.
- AUG 11 The Holy Spirit gives us boldness to tell people about God and to help people do the right thing. Talk about a time the Holy Spirit gave you boldness.
- AUG 18 Talk about people who have stood up for God and how that let other people know how great God is. How can you stand up for God?
- AUG 25 Talk about why our worship is important to God and why it is helpful for us.
