

Hello Parents and Guardians,

Starting this Sunday, the kids in Jesus Junction and the Rock are going to be engaging in activities that tie in with **more than**, an initiative designed to guide NorthEast in spiritual transformation.

Our desire is for the kids to see that **more than** is not just something the adults are doing in “big church” but that we, as a church family, will come together and allow God to work through us. We are trusting God to transform their hearts as well as our own.

Your kids will have the opportunity to engage in a lot of fun activities and events in the upcoming months. Please add these dates to your calendar, so that your kids will not miss out.

Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen. ~ Ephesians 3:20-21
