

2022 Elder Bios

The following men are being recommended as Elders to begin a three-year term in 2023. NorthEast Owners will have the opportunity to vote on these four men at the annual Congregational Meeting on Sunday, December 4.

Chris Lloyd

Chris and his wife Tammy just celebrated their 27th anniversary in November. They have four children – Michael, Amy, Drew, and Abby and five grandchildren Dylan, Mason, Raegan, CC, and Jack. Chris, Tammy, and Abby joined NorthEast in 2012. Chris serves at Church Under the Bridge, Russell Cave, and on the Finance Team. They are part of the Foundations Sunday School Class, where Chris is one of the rotating teachers.

Chris has an MBA from Marshall University and works for Blue Yonder Software Company as an Enterprise Solution Architect. Tammy has her MBA from King University, MHI from Northern Kentucky University, and works at UK Healthcare as the Director of the Clinical Acute Program. Chris is excited to serve with fellow NCC Owners, Leaders, and Staff to expand God's word and discipleship through Faith, Hope, and Love throughout the surrounding community and wherever else God calls NorthEast.

Monty Lizer

Monty and his wife Scottie have been Owners at NorthEast for 7 years. They have been married for 42 years and have 3 daughters; Ashley, Kami, and Makenzie. Ashley serves on the Medical Team and her daughter Jadyne helps with NorthEast Kids. Monty and Scottie have been blessed with 11 grandchildren.

At their former church, Monty was in charge of scheduling communion/offering volunteers. Scottie coordinated baptisms and was on the Guest Services Team. Together, they taught the 1st - 3rd grade class on Sunday nights. At NorthEast, Monty serves on the Medical Team and has previously served on the Communion Team. Scottie has also served on the Welcome Team prior to health issues. After much prayer, they were led to NorthEast and on the first visit they knew why God had led them here. They immediately loved how friendly everyone was and continue to be excited to see God move at NorthEast!

Steve Smith

Steve and his wife of 52 years, Pat, became owners at NorthEast in 2005. Their "party of 12" includes two adult children, Amy and Tim, their spouses, Kevin and Amanda, and 6 grandchildren, Macy, Sam, Jefferson, and Mahari Crump and Hudson and Harper Smith.

Steve and Pat have been very active in serving at NorthEast. They team taught the jOURney's Sunday Morning class for several years. Steve has been involved in missions, men's ministry, serving as a deacon, multiple terms as an Elder

since 2007, and supporting the staff's initiatives to serve and minister to our church, our community and the world. After retiring from the Giant Tire business, Steve joined the NCC staff serving as Director of Pastoral Care and Executive Minister since February of 2012. He recently retired in March of this year.

Steve believes Christians never truly retire, especially in the spiritual realm of reaching the lost. He looks forward to serving NCC as we strive to obey the Great Commandment of our Lord and Savior, Jesus Christ (Matthew 28:19-20) to reach ALL with the Gospel in order to increase the population of heaven.

Steve West

Steve and his wife Kim have attended NorthEast since 2006 and been Owners since 2016. They have been married for 31 years and now live with their two Pomapoo's, Mia and Milo. They have two children, Lindsey, Luke, a son-in-law Chris, and a 3 month old Grandson, Brady. Lindsey and Chris live in Hendersonville, Tn. and attend Long Hollow Baptist Church. Luke is an Owner at NorthEast and is engaged to be married (Johanna) in November 2023.

Steve and Kim have lived in Bourbon County their entire lives and were baptized together in 1990 prior to their marriage and again in the Jordan River in 2022. Kim has served with NorthEast Kids and Steve has served in Guest Services. Steve and Kim have regularly attended a life group and are now participating in a new group since the recent re-boot. Steve worked 23 years in the Automotive industry first at Toyota and then travelling around assisting companies with continuous improvement efforts. Steve and Kim have been owners of CertaPro Painters of Lexington for the past eight years which has given them the opportunity to give back to the Church, Food Pantry, and support other ministries inside and outside the church through giving. Steve has a passion for helping others reach their potential and providing them with an opportunity to do so. He feels his gifts of administration and giving will benefit an already diversified board of Elders.
